LIGHTSABER SERIES

如同它的名字一样，LIGHTSABER像一把锋利的光剑，长条型的灯体设计，犹如在天花板上切割开一条光影，特殊光学设计使人在享受灯光的同时，又感受不到光，完美呈现见光不见灯的设计。

LIGHTSABER, just as its name implies, has concise linear lamp body. It looks like a beam of light hiding into the ceiling because of its special optical design. It perfectly presents a high-end lighting design as what we called "feel the light meanwhile not see the light".

MAGNETIC SYSTEM

3rd MAGNET磁吸系列用最简约最丰富的搭配营造丰富的空间光影，科技感十足，符合现代都市人群的审美，同时也是设计师勾勒空间线条的最佳之选。可调光方案的灵活使用更是能满足更多用户的需求。

3rd MAGNET SERIES conveys a sense of conciseness and Hi-Tech. By random combinations of magnet lights , it creates the most gorgeous effects between lights and shadows, which meets modern demands of urban youth. Meanwhile, it is the perfect choice for drawing the outline of space. Dimmable version is also a flexible option for designers and users.

APPLICATION

工艺及功能描述：十字滚花雕刻点缀并覆盖整个周边下盘，创建精致的光线反射。颜色搭配丰富而高级。升降悬吊式结构使得这款灯具可以非常灵活而丝滑地上下调节，吊线长度可按需定制。采用UGR<19 的防眩扩散片，保证较高的出光率却不刺眼。

The criss cross knurled engravings embellish and cover the entire perimeter of the lower disc, creating refined reflections of light. Rich and deluxe color-matching. Lifting suspension structure makes this pendant luminaire rise and fall flexibly and smoothly. The cable length can be customized. The anti-glare opal diffuser with UGR<19 assures the lamp project a powerful but not dazzling downward light beam.
